**FAX TO: 937-525-5130**

Company: \_\_\_\_\_ Name: \_\_\_\_\_

Title: \_\_\_\_\_ E-mail: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

1. Type of crane:      Single girder                      Double girder  
                               Top running                      Under running
2. Type of hoist:      Wire Rope                      Chain
3. Capacity: \_\_\_\_\_
4. Lift: \_\_\_\_\_
5. Span: \_\_\_\_\_
6. Hoist speed: \_\_\_\_\_                      Two-speed      Variable-speed  
    Open loop **OR**  
    Closed loop
7. Trolley speed: \_\_\_\_\_                      Two-speed      Variable-speed (Std. is 65 fpm variable)
8. Bridge speed: \_\_\_\_\_                      Two-speed      Variable speed (Std. is 100 fpm variable)
9. Voltage:      460-3-60Hz      230-3-60Hz      208-3-60Hz      575-3-60Hz  
                               Other: \_\_\_\_\_
10. Hoist reeving:      Single Reeved      Double Reeved
11. Location of use:      Indoor                      Outdoor – Please call us at 800-955-9967!
12. Hoist duty cycle (ASME/FEM):      H3/1Am                      H4/2m                      H4+/3m
13. Trolley duty cycle (CMAA/FEM):      Class C/2m                      Class D/3m
14. Bridge duty cycle (CMAA/FEM):      Class C/2m                      Class D/3m
15. Runway rail size (top running): \_\_\_\_\_
16. Runway beam flange width (under running): \_\_\_\_\_
17. Building dimensions: \_\_\_\_\_
18. Any special requirements?                      No                      Yes – Please call us at 800-955-9967!
