## **WEBSITE UPDATE: WWW.RMHOIST.COM**

01/10/2008

The Spare Parts page of the R&M web site has been updated! The layout has been revised, a request for quote form has been added and many discontinued wire rope hoist manuals can now be downloaded as PDF files.

The initiation of these tasks have come from you, our valued customers, and we are pleased to say we have listened to and accommodated the requests. Please find the link to the Spare Parts page and start taking advantage of the provided forms and information. <http://www.rmhoist.com/parts-hoist-crane.htm>
